Internship Process:

1. Submission of a 1 to 2 page reflective essay explaining your interests and academic requirements.
2. Please include a schedule of availability for a pre-screening interview and your contact information (e-mail & phone).

Next Steps:

- Pre-screening interview
- Provide updated resume
- Response of accepted or decline of Internship
- Once accepted, complete a CORI (criminal record check)
- Provide three written references
- Education verification
- A driving record check
- Upon the return of your CORI, you will then be asked to come in for final paperwork and an agency orientation.
- Valid driver’s license and reliable transportation.

Child & Family Services appreciates the opportunity to provide a mutually beneficial learning experience with interns.

Please be sure to check out our website for more information about internships, volunteer work, or careers!

Child & Family Services
3057 Acushnet Avenue
New Bedford, MA 02745

Child & Family Services’ mission is “…to heal and strengthen the lives of children and families.”
INternship Opportunities

Who Are We?

Child & Family Services is one of the oldest nonprofit organizations in Southeastern Massachusetts. We began as the New Bedford Orphans’ Home in 1843 to help children left homeless and without families during the whaling era.

Through counseling, prevention programs, family support and psychiatry services, we are able to keep the commitment we first made in 1843 of helping those in need. Our mission remains: “…to heal and strengthen the lives of children and families.”

Why Choose Us?

Our agency programs serve more than 18,000 people each year—including individuals and families facing some of life’s most distressing challenges.

You will work with dedicated staff who understand the needs of their clients.

We provide quality supervision that will nurture professional growth.

You will gain field experience that you can take out into the real world.
