HISTORY & OVERVIEW

Child & Family Services has been servicing the community since 1843. We are a comprehensive agency offering a wide range of counseling and community support services. These include specialty clinics, individual, group and family therapy, psychiatric consultation, adoption services and community youth support.

Child & Family Services’ commitment is to serve the community with the highest respect and professionalism.
COUNSELING SERVICES
Child & Family’s comprehensive mental health services help individuals and families cope with the challenges that life often puts before us. Therapists are available to help deal with the many problems confronting children, teens, adults, seniors and families.

If you or a family member is facing any of these or other issues, we can help:

- Depression
- Anxiety
- Grief
- Trauma Recovery
- Family and Relationship Problems
- Behavioral Problems
- Attention Deficit/Hyperactivity

Trained therapists will conduct a comprehensive assessment to determine the needs of the individual and family and how we can best be of service.

SCHOOL-BASED SERVICES
Schools are in a unique position to identify students who may be in need of emotional support. Child & Family, in cooperation with local school districts, provides therapists on-site at over 35 schools in the Greater New Bedford and Fall River areas.

School-based services allows the therapist and the school to work together to address the often complex needs of the student and their family.

THERAPEUTIC GROUPS
We also offer groups to help with:

- Bereavement
- Anxiety Disorders
- Anger Management
- Trauma
- Parenting Education
- Social Skills Development
